

No. N-45011/25/2022-DAS
Government of India
Ministry of Information and Broadcasting

Room No. 544-A, 'A' Wing
Shastri Bhawan, New Delhi-110001
Dated: 24th August, 2023

ORDER

This Ministry has granted MSO registration from time to time. Some of these MSOs, along with their registration details, have been tabulated and enclosed as Schedule to this order. These MSOs listed in Schedule are hereafter referred to as "Scheduled MSOs".

2. One of the terms and conditions of the MSO registration was that MSOs shall comply with the provisions of the Cable Television Networks (Regulation) Act, 1995, and the Rules made thereunder, as amended, and adhere to all the terms and conditions of the registration. Failing to do so, the permission granted is liable to be cancelled/suspended. MSOs were also required to submit a list of their subscribers and other details as per the requests made by the Ministry from time to time.

3. It was observed that Scheduled MSOs had not entered their seeding data on MIS within the stipulated time, thereby violating the terms and conditions of their MSO registration. This Ministry, through communication No. 9/66/2017-DAS dated 30.03.2021, followed by a reminder dated 06.09.2021, had asked these MSOs to submit the details of their subscribers by entering seeding data in MIS. According to Rule 10(A)(1) of the Cable Television Networks Rules, 1994, every MSO is bound to provide such information as may be sought by the Central Government within the specified period.

4. Since no reply was received from the Scheduled MSOs, a Show Cause Notice was issued to them via this Ministry's communication dated 29.11.2021, asking them to explain why non-compliance with the terms and conditions of their MSO registration should not result in cancellation/termination of the registration. As the Scheduled MSOs did not provide a reply to the aforementioned show cause notice within the stipulated period, their registrations were suspended by this Ministry's order dated 08.04.2022.

5. According to Regulation 15(1) of the Interconnection Regulations, 2017, it is mandatory for every distributor of channels to conduct an audit of their systems once in a calendar year. However, as per the information shared by TRAI, some MSOs had not conducted audits of their systems for the calendar years 2021 and 2022. Taking into account this non-compliance, this Ministry marked the status of these MSOs as "Non-

Compliant". Furthermore, through this Ministry's advisory dated 23.03.2023, all broadcasters were advised not to enter into interconnection agreements with non-compliant MSOs and to notify the non-compliant MSOs with whom they already have interconnection agreements.

6. However, despite being classified as "Non-Compliant", the scheduled MSOs had not made any references to this Ministry for the alteration of their status or the revocation of the suspension of their registration. Therefore, a Show Cause Notice dated 25th July 2023 was issued to these MSOs, seeking an explanation for the contraventions mentioned in the preceding paragraphs. The MSOs were given 15 days to furnish their replies.

7. However, it has been observed that the scheduled MSOs have failed to provide the requisite clarification/explanation within the stipulated period.

8. In view of the above and in exercise of powers conferred under Section 4(7) of the Cable Television Networks (Regulation) Act, 1995, the MSO registrations of the scheduled MSOs are hereby cancelled with immediate effect.

9. Appeal against this order, if any, lies with the Secretary (Information and Broadcasting), provided that such appeal is made within 30 days of issue of this order.

(Subhash Kumar)

Deputy Secretary to the Govt. of India

To
MSOs (as per Schedule)
