Dated: 26.10.2022

**ORDER**

The Ministry of Information and Broadcasting vide letter dated 27.10.2010 had granted permission to M/s. **GN Infomedia Private Limited** to Uplink and Downlink a News & Current Affairs TV channel namely '**Mangalam**' and a Non-News and Current Affairs TV channel namely '**Whistle TV**' for a period of 10 years. The permission granted to M/s. G. N. Infomedia Private Limited has already expired on 26.10.2020.

2. Clause 5.4 of Uplinking guidelines 2011, provides that *"The Company shall furnish such information, as may be required by the Ministry of Information & Broadcasting, from time to time."*
3. Clause 5.8 of Uplinking guidelines 2011, provides that *"The company shall ensure its continued eligibility as applicable throughout the period of permission and adhere to all the terms and conditions of the permission, failing which the company will be liable for penalty as specified."*
4. As per **Clause 2.1.2 & 3.1.13** of Policy Guidelines for Uplinking of Television Channels from India, 2005, the required net worth for the aforementioned 02 channels is Rs. 4.50 Crore.
5. The company has to abide by the terms and conditions of permission letter and provisions of Uplinking/downlinking Guidelines at all times.
6. As per this Ministry's Notice no. 1401/06/2016-TV(I) dated 19.12.2016, the company willing to get the permission renewed beyond its initial permission is required to apply for the same 6 months prior to the date of expiry of the permission period.

7. This Ministry vide SCN dated 14.01.2022 informed the company to apply for 10 years renewal for the channel namely, 'Mangalam' and 'Whistle TV'. The company in response to the SCN vide letter dated 19.01.2022 sought extension of time. Accordingly, the company was informed to apply for 10 years renewal latest by 28.02.2022. However, the company did not apply within the prescribed time frame. Therefore, another SCN dated 14.03.2022 was issued to the company. The company in response vide letter dated 28.03.2022 again sought extension of time. Accordingly, the company was informed to apply for 10-years renewal by 31.07.2022 but the company in response to SCN has again sought extension of time. It is mentioned that, the permission of both the TV channels namely, 'Mangalam' & 'Whistle TV' expired on 26.10.2020 and the company to get the permission renewed was required to apply for the same 6 months prior to the date of expiry of the permission period. However, the company has still not applied for 10-year renewal for its two channels despite a considerable lapse of time. The company has therefore violated clause 5.4 & 5.8 of uplinking guidelines, 2011.

8. This Ministry vide letter dated 06.05.2022 had also requested the company to furnish copy of successful transaction (Transaction Ref. No.- 1803220003800) of Bharat Kosh receipt amounting to Rs. 05.00 lakh (as annual fee for downlinking) to this Ministry. However, the company has not submitted the same so far. Therefore, the company has violated clause 5.4 of uplinking guidelines, 2011.

9. As per MGT-7 Form filed by the company for the Financial Year 2018-19, the net worth of the company is Rs. 1.66 Crore, which is not sufficient against the required net worth of Rs. 4.50 Crore. Hence, the company has violated the **Clause 2.1.2 and Clause 3.1.13** of the Uplinking Guidelines, 2005.

10. The TV channel 'Whistle TV' is non-operational. Since there is no provision in uplinking guidelines that permits the channel to remain non-operational, therefore, the company has violated clause 5.8 of uplinking guidelines, 2011.

11. NOW THEREFORE, M/s. G.N. Infomedia Private Limited is found to be in contravention of Clause 2.1.2, 3.1.13, 5.4 & 5.8 of uplinking Guidelines. Accordingly, the telecast of the TV channels 'Manglam' and 'Whistle TV' is prohibited for a period of 30 days with immediate effect with the direction to the company to pay outstanding dues and fulfil regulatory compliances as mentioned at para 7-9 above failing which further action will be taken. However, if the company applies for 10-years renewal for the two channels and takes necessary step to remove the other violations of the policy guidelines for uplinking of TV channels, 2011, during the period of prohibition, the permission to the channel may be considered for restoration.
